

BIG BEND BREW OFF 2016

Judging, Stewarding, and Awards

Judging

All judging will be performed during the main competition weekend. No pre-judging weekends are scheduled. Judges will not be assigned flights in which they have an entry.

Judging will be based on the current 2015 BJCP style guidelines.

Every effort will be made to invite BJCP-qualified judges. Persons interested in judging can submit a Judge Registration/Waiver form to the Judge Director at PO Box 3325, Tallahassee, FL 32315 or contact Rick Lindburg, Judge Director at rlunchbox@embarqmail.com.

Stewarding

Persons interested in stewarding should contact competition@nfbl.org. Stewards will not be assigned to flights in which they have an entry. Stewarding assignments are based on various factors. We will try, but cannot guarantee that stewards will be paired with a judge of their preference.

If you would like to volunteer for the weekend's events, please email competition@nfbl.org.

Awards

Prizes will be awarded to Best of Show, First Runner-Up, Second Runner-Up, and to the First, Second, Third place finish to flights in which have an entry.
